## SELECTMEN'S COMMENTS

In order to better understand and carry out the Town's business we decided to continue our policy of meeting every other Friday night at the Town Clerk's office. We invited other town officers to meet with us and present their problems. At these meetings we paid all bills, including the highway time.

We have finally purchased a town dump. We have cleaned the road-side adjoining it, cut the trees and leveled the dump. We feel that this dump should be used by its townspeople only, but not for a business dump. We would welcome suggestions at town meeting for a set of rules and regulations governing the dump.

We redecorated the Town Library and have a monthly lease with the U.S. Postal Department to use it for a Post Office. We receive forty-five (\$45.00) per month rent for the building.

We redecorated the Town Clerk's office and the remaining area in the basement of the Town Hall for new Library Rooms. The basement walls were waterproofed and new lighting installed.

We purchased aerial maps of the town by which can be determined different boundary lines. These maps are available for study at the Town Clerk's office.

We have the problem of approximately \$8,000 in hospital bills for the Welfare Department of which \$4,000 was contracted this past year. A very small part of this account will be reimbursed by the State.

We have \$7,463.08 in delinquent taxes, there being an increase of over \$3,000 in 1960.

LUELLA H. LAMPHERE  
RICHARD E. FULLER, SR.  
MARIAN M. FAY

## **POLICY:**

Terms and Restrictions on Use of School Building —

Permission for use of school building will be secured from the School Board.

When permission is received, the Board will notify the Principal to schedule it on the calendar in order to avoid conflicts.

School programs will have preference in scheduling.

The school building will be available to organizations only.

Organizations directly concerned with the school will not be charged. (PTA, 4-H, Etc.)

Organizations other than those mentioned above will pay a nominal fee to cover expenditures plus a janitor's fee.

The fees will be paid to the School Board before the school facilities are used.

There will be a meeting of the School Board at the Central School at 8:00 P.M. March 3. The public is invited.

Respectfully submitted,

LAWRENCE BURGESS, Chairman  
NAN WOLCOTT  
NELSON WALBRIDGE

School Board

---

## **REPORT OF SUPERINTENDENT OF SCHOOLS**

At a recent university convocation, columnist-professor, Max Lerner, stated that nations no longer gauge their influence in the world upon the amount of military power they hold as they did when this power was scarce; they dare not unleash this power now because it is maintained in overwhelming quantities. Knowledge of ourselves and our neighbors and the substitution of solid values and purposes for those now espoused must become our primary concern if our historic way of life is to win in the race for supremacy. This is a challenge to all phases of our national community but more particularly to our schools, for intelligent use of knowledge of ourselves and our neighbors will become ever more increasingly a working tool in our relations with the newly emerging nations as well as with the established nations of the world community. Our schools, therefore, cannot afford to neglect any area of education; we have not overly emphasized math and science and we must not under emphasize the social studies and languages in our attempts to provide a liberal education for our boys and girls who will have to cope with some of the greatest intellectual and economic conflicts in our history.

The former national science adviser, Dr. James Killian, said at ceremonies dedicating the New Alfred Sloan Laboratory of Math and Physics that the image of America in the eyes of the world may be shaped by the quality of its inner life more than by its exploits in space. Such a statement from a man of Dr. Killian's stature in the field of science bears serious consideration and forms another invaluable support for a sound

evaluation and philosophy of education. The elementary school years are none too early to begin a better understanding of ourselves and our neighbors. In our very small way we are trying to improve the quality of this inner life. In addition to our textbooks, encyclopedias and workbooks we have made more use of visual aids such as slides and motion pictures to accomplish this purpose. We have experimented with the introduction of a foreign language in the upper grades and have supplemented the conversational phase with visual aid materials, foreign language books, and a tape recorder with foreign language tapes. More science and science experiments have been possible through the use of our new laboratory table, extra science references, science materials and films. Students will cover the four basic processes of mathematics in algebra and will work with some basic theorems of geometry. Students have written more original composition in an effort to improve their abilities to transfer ideas to clear written expressions. In all our efforts to provide as liberal a program as our staff and facilities allow, we have never lost sight of the great importance of good reading skills. Much emphasis continues in this area of our school program. Our three primary grade teachers are working under a schedule jointly arrived at by the staff, Dr. Russell, our State Curriculum Consultant, and the Superintendent, with the approval of our School Directors. We feel that the new schedule which was inaugurated last year and is in operation this year has helped the teachers do a more effective teaching job and has been particularly helpful to the students.

I believe it is important to say here that the success of any school program depends upon teachers, and our teachers recognize the challenges of the times and conscientiously work at their tasks with consideration for individual differences, and sympathy for all children. Our art and music teachers contribute immeasurably through their attitudes and instruction to the complete education of our boys and girls.

Again this year the National Defense Education Act has made it possible for us to purchase our tape recorder, motion picture projector, tapes, books and supplies at half their actual cost.

This year we have had to use about half the multi-purpose room as a permanent classroom. As our enrollments increase we will have to plan for more classroom space and supporting facilities. It is not too soon to bring this to public attention.

The sponsors and workers of the hot lunch program merit our sincerest thanks for their special services to our school children.

The enrollment this year is as follows:

Grades .....	1	2	3	4	5	6	7	8
	19	21	17	17	12	16	7	15

Respectfully submitted,

GEORGE WM. BOUNTRESS,  
Superintendent of Schools

## REPORT OF UNDERHILL CENTRAL SCHOOL PTC

The Underhill Central School PTA joined with Jericho and Essex PTAs in a series of youth-adult discussions in late fall and early winter conducted by area churchmen.

The Town Meeting dinner was held at the Underhill Central School.

A landscaping committee headed by John Durbrow planted maple trees in front of the school, and the title letters were affixed to the school building by Roy Kennedy and committee.

The PTA sponsored the once-in-two-years trip for the seventh and eighth grades.

At the September opening meeting and pot luck supper it was voted to purchase a second lot of matching 48 chairs in conjunction with Town School District. Our affiliation with the National PTA was dropped and we became the Underhill Central School Parent-Teachers Club. The membership committee, Miss Emily Flynn and Miss Rosaline Lindner reported 102 members.

The science federal aid program provided half the cost of new movie projector for the school; balance to be paid by the PTC.

PTC. EXECUTIVE BOARD

---

## REPORT OF CENTRAL SCHOOL HOT LUNCH PROGRAM

Children's lunches served (all lunches served with milk) .....	9,638
Amount charged per child's lunch .....	.20
Special Milk Program:	
Number of half-pints served without lunch .....	5,851
Amount charged per half pint (January - June) .....	.03
(September - December) .....	.025

The hot lunch and special milk programs are made possible by the following:

1. Reimbursement by the State Dept. of Education at the rates of —
  - (a) 6c per lunch in January, February, March and April  
5c per lunch in November and December
  - (b) 3c per half-pint of milk in May, June, September and October  
when milk only was served  
4c per half-pint of milk in January, February, March, April  
November and December
2. Private gifts
3. The efficient help of our dietician-cook
4. The cooperation of the teachers
5. The free labor furnished by the mothers and other women of the community.

## REPORT OF CHIEF OF UNDERHILL-JERICHO FIRE DEPARTMENT, INC.

The fire department answered nine fire calls during the past year without sustaining a heavy loss at any one fire. The least fires in many years due only to the splendid cooperation of the public.

The fire department showed movies in both Underhill and Jericho schools on fire prevention. We also distributed leaflets in the spring pertaining to trash and grass fires, which cause or lead to many dwellings or forest fires. The department had only one bad forest fire this past year due to grass or trash burning. "Remember the first few minutes of any fire count the most, whether it be a grass fire or a dwelling," therefore do not hesitate to call the Fire Department immediately!

The members of the department felt that this helped tremendously as we had only three grass fires last year compared to 12 the previous year.

Our department is very fortunate in having a resuscitator and inhalator which are available to the public at all times.

We conduct 24 regular meetings a year, out of which the firemen are continually training through State Fire Fighting Schools, viewing of movies and drills so that we can better serve you, the public.

The department has been operating on 15% of the grand list since 1954, and we feel that in order to continue to give adequate protection we should purchase some new hose, among other things, which we cannot purchase on our present budget; therefore, we request 17%.

We, the Fire Department, are most grateful for the cooperation extended to us by the townspeople.

Respectfully submitted,

MAITLAND ROOT, Chief

## **Sec. 7076. Brush Fires; Penalty.**

Fires kindled for the purpose of burning brush or for other lawful purpose shall be kindled only at such times and under such conditions as will enable the parties starting them to keep them entirely under control. Except as provided in this section, a person shall not kindle or authorize another to kindle a fire in the open air for the purpose of burning brush, weeds, grass or rubbish of any kind except where there is snow on the site, without first obtaining permission from the fire warden or deputy warden of the town, or the state forester, or his deputy, stating when and where such fire may be kindled. Such permission shall not be required for the kindling of a fire in a location which is two hundred feet or more from any woodland, timberland or field containing dry grass or other inflammable plant material contiguous to woodland. A person who violates a provision of this section shall be fined not more than \$200.00 or imprisoned not more than six months, or both.

---

## **VERMONT STATE DEPT OF HEALTH REPORT Montpelier, Vermont**

The health of the town of Underhill is the concern of its citizens, its doctors, health officer, selectmen and the State Department of Health.

Through its various programs the State Department of Health staff works with and for local people on community health, operating on both local and state levels. This is a report of some of the State Department services and programs your town used last year.\*

With the aim of keeping children well and helping handicapped children, well-child and school conferences were attended by 110 children. Nutrition and dietary consultations numbered 3. At the request of attending doctors 2 children received pediatric consultations, 11 with orthopedic, cardiac, plastic or neurological conditions received services or appliances through clinics for handicapped children.

In the effort to control communicable disease 12 persons received chest X-rays; 79 children received immunizations, including boosters, against diphtheria, whooping cough and/or tetanus. Polio immunizations, including boosters, were given 52 children and adults in clinics and conferences. The State Laboratory performed tests on 17 water samples, 44 blood specimens and 14 other specimens. Vaccines, antitoxins and biologicals were distributed for protection against communicable diseases.

There were 5 sanitary inspections or consultations made at the town's food and lodging places and 14 concerning water supply, sewage disposal, public buildings and other problems, to protect health through improved town sanitation.

Individual interviews with the psychiatrist, psychologist or psychiatric social worker were given 1. Under the community mental health program to develop local projects for prevention, treatment or education

in mental health, financial assistance and staff consultations are available.

In cancer work 4 received diagnosis and treatment at tumor clinics or were financially helped with hospitalization costs.

All programs in the department offer educational services. Pamphlets, films, a news release and information service and speakers are available. films, a news release and information service and speakers are available. problems and plan educational programs.

The Public Health nurse served at well-child and school conferences, X-ray and immunization clinics, assisted by local people. She visited homes, doctors, and agencies, making 354 visits on behalf of 60 persons and community health activities. Her service is an essential element in the department's program for health promotion, disease prevention, diagnosis, treatment and education.

Respectfully submitted,

R. B. AIKEN, M.D., M.P.H.,  
Commissioner of Health

\* — To show the amount of services and have this available by the time your town report is prepared we have tabulated most of our services in the 12-month period ending September 30, although some are in the fiscal year ending June 30th.

### ANNUAL TOWN MEETING

11. To act upon the report of the Officers.
12. To set the compensation for the Town Officers.
13. To see if the Town will vote to pay 17% of the Grand List to the Underhill-Jericho Fire Dept., provided that Jericho votes an equal percent or more on their Grand List.
14. To see if the Town will appoint the Underhill-Jericho Fire Department, Inc., to act as its official Fire Department with all the rights and immunities thereof.
15. Shall the Board of Selectmen be authorized to appoint a zoning commission, adopt zoning regulations based on the zoning commission's report, and present such zoning regulations to the legal voters of the Town for approval, pursuant to and in accordance with Title 24, Chapter 67, with Amendments thereto, of the Vermont State Statutes on Zoning.  
To see if the Town will appropriate \$1,100.00 for this purpose.
16. To see if the Town will vote to pay what amounts for the Libraries? (1) Town Library (2) Waters Memorial Library
17. To see if the Town will vote to appropriate \$50.00 for Memorial Day Services.
18. To see if the Town will authorize the Selectmen to spend from the General Fund amounts not to exceed in the aggregate the sum of \$250.00 for corrective work recommended by the Public Health Nurse.
19. Will the Town authorize the Selectmen to acquire by gift or purchase land for a Municipal Forest, to promote reforestation, water conservation and good forestry practices?  
(2) Will the Town appoint a committee to study this matter?
20. Will the Town authorize the Selectmen to borrow money for present indebtedness of the Town and for current and incidental expenses of the Town for the year ensuing.
21. Will the Town vote to accept the recommendations of the Selectmen as proposed in the Tax Budget for 1961?
  - (1) Set the Tax Rate if not previously done.
  - (2) Set the due date for Poll Taxes.
  - (3) Set due date for Real and Personal Taxes.
  - (4) To see if the Town will vote to collect its Taxes by its Treasurer or by a Collector.
22. To transact any other business thought proper when met.

Dated at Underhill, Vermont, February 15, 1961.

LUELLA H. LAMPHERE	}	Selectmen of Underhill Vermont
MARIAN M. FAY		
RICHARD E. FULLER		

**WARNING**  
**ANNUAL TOWN MEETING**  
**UNDERHILL, VERMONT**

The legal voters of the Town of Underhill, Vermont, are hereby notified and warned to meet at the Town Hall in said Town of Underhill, on Tuesday, March 7, 1961, at 10:00 o'clock in the forenoon, to transact the following business and act upon the following articles:

1. To elect all Town Officers required by law. (Ballot)
2. To vote on the following question:
  - (1) Shall licenses for the sale of malt and vinous beverages be sold in this town?
  - (2) Shall spirituous liquors be sold in this Town?

B allot boxes on the above two articles open at 10:00 A.M. and close at 6:00 P.M.

**ANNUAL TOWN SCHOOL MEETING**

3. To elect one Director for the Underhill Town School District for a term of three years, who shall be elected by ballot.
4. To set the pay of the School Directors.
5. To see if the Town School District will vote to authorize the School Directors to pay full tuition charges to accredited high schools up to a maximum of \$450 00.
6. To see if the Town School District will authorize the School Directors to pay what amount per pupil attending high school, towards defraying high school expenses.
7. To see if the Town School District will vote to authorize the School Directors to borrow money for present indebtedness of the Town School District, for School purposes and for incidental expenses of the Town School District for the year ensuing.
8. To see if the Town School District will vote to raise a Tax and appropriate money on its Grand List for School purposes, and to pay current and incidental expenses of the Town School District, for the year ensuing and to pay present indebtedness of the Town School District.
9. To see if the Town will elect a committee of three who will serve without compensation to study and make a report and recommendations to the Town School District on the possibility and ways and means of finding a satisfactory solution to our future high school problems and vote that the Town pay the Committee's clerical and legal expenses, not to exceed \$50.00.
10. Shall the Town School District of Underhill hold its annual meeting, beginning with the 1962 annual meeting, at the Town Hall, on the second Tuesday in March, at 8:00 P.M.
